MS. BEVERLY HALILI

HR Manager
Joi Philippines Inc.
Fifth Floor, Clark Center 10 Clark Center, Jose Abad Santos Ave.
Angeles City, Pampanga, 2009

Dear Ms. Halili,

Good day!

I am Jasmine D. Robles, a 4th-year Bachelor of Science in Information Technology student at De La Salle John Bosco College. I am writing to apply for an On-the-Job Training (OJT) position as a Software Developer Intern at Joi Philippines Inc.

My academic background has equipped me with strong foundations in programming (Java, Python, C#, PHP), web development (HTML, CSS, JavaScript, React, Laravel basics), and database management (MySQL). I have also completed projects such as a Library Management System, an E-commerce Website, and a Task Management App, which allowed me to practice software design, coding, and debugging.

I am eager to apply these skills in a professional environment and learn from industry experts at Joi Philippines Inc. I believe that my adaptability, problem-solving mindset, and passion for software development will make me a valuable trainee in your team.

Attached is my resume for your review. I would be grateful for the opportunity to discuss how I can contribute to your projects.

Thank you very much for considering my application. I look forward to your positive response.

Sincerely,

JASMINE D. ROBLES

JASMINE D. ROBLES

SOFTWARE DEVELOPER INTERN
